CHAIRMAN SCIORTINO OFFERS "OFFICE HOURS" IN DERBY

(Sedgwick County, Kansas) – Chairman Ben Sciortino, 5th District Sedgwick County Commissioner, has set up office hours in Derby in the Derby Senior Center. Chairman Sciortino will be available to meet with members of the 5th District each Friday from 9 to 11 a.m. His office area is located in the main area of the Derby Senior Center, 611 Mulberry Road.

"I am excited to have a permanent area again to meet with citizens where it is convenient for them," said Chairman Ben Sciortino. "I want to hear citizens' ideas and concerns...and this office area in the 5th district makes it easier for people to be involved in local government," he said.

Citizens can also obtain general information and brochures about Sedgwick County services within Chairman Sciortino's office area at any time.
